To Whom It May Concern:

I am writing in regards to Rebekah Maurice. I have been Rebekah's newspaper advisor for the past academic year and I have learned a great deal about Rebekah and her abilities.

As the newspaper editor for the student paper she has had to work closely with the Student Association to effectively communicate their message.

After initial training at the start of the school year, Rebekah has run her newspaper team independently for the entire year. Through her leadership this year's newspaper has been the most successful at consistently meeting their deadlines.

I wholeheartedly recommend Rebekah for employment.

Sincerely,
